

FAQ's – B2N (Back to Netball)

Who is B2N for?

This session is for anybody who wants to play for the first time or to reignite an old passion.

Can I play if I already play netball?

You can, however we would like to encourage all participants to have fun as this is not a competitive environment.

Can I just show up?

You can arrive on the day without booking but you will require a guest account for our Front of House team to book you on.

What if the weather is bad? *Applicable to outdoor sessions only.*

We aim to run the session regardless of the weather, however if the courts are deemed unplayable, the session will be cancelled. All participants booked on will then receive a curtsey call informing them of the cancelled session.

What do I need to bring?

We suggest something to drink, a sweat towel and arrive in appropriate clothing to exercise in. We also suggest players have short/cut down nails and remove all jewellery beforehand.

Can I come even if I don't know how to play?

This session is designed for you, we want you to come and learn this sport and fall in love with it.

How much does it cost?

All sessions are £5 and are bookable in advance.

I'm injured, can I still come?

Depending on severity of the injury, you can still come along. Make sure you have the go ahead from your doctor and let the coach know before you do anything. Alternative to this session, we run a Walking Netball session which is ideal for no impact-type injuries.

How do I book?

You can book yourself on via the Surrey Sports Park website by clicking the **BOOK** button at the top of the page. You will require an online account, but you can simply create a guest account.

Can I book I advance?

Yes, you can book 14 days in advance by logging into your account and locating the session by clicking either Wednesday or Thursday depending on what session you want to attend.

Where do I go when I arrive?

Arrive at the reception desk and get yourself checked in, then head to the location of your session. Wednesday evening (Outdoor courts) and Thursday Morning (Arena B).

What happens if I'm late?

We suggest you still come along, just make sure you're warmed up if you do miss the beginning.
